Re: AC# 3-MLD-J4 – National Healthcare - Mauldin

Dear Ms. Hughey:

The accompanying report has been prepared by our office based on your Medicaid Financial and Statistical Report submitted to the Department of Health and Human Services for the cost report period October 1, 2003 through September 30, 2004. That report was used to set the rate covering the contract period beginning October 1, 2005.

We are recommending that the Department of Health and Human Services certify an accounts receivable to recover amounts due as a result of the rate change shown on Exhibit A. You will be notified of repayment terms by that Agency.

If you take exception to this report in any manner, you have the right to appeal in accordance with the Code of Laws of South Carolina, 1976, as amended, Title 44, and Department of Health and Human Services Regulation R.126-150, and you must respond in writing within thirty (30) calendar days of the date of this letter. This written response must address the specific items in the report being appealed, and must be directed to the Appeals and Hearings, Department of Health and Human Services, Post Office Box 8206, Columbia, South Carolina 29202-8206. Any correspondence should include the control number appearing on Exhibit A of this report.

Yours very truly,

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

September 11, 2008

Department of Health and Human Services
State of South Carolina
Columbia, South Carolina

We have performed the procedures enumerated below, which were agreed to by the South Carolina Department of Health and Human Services, solely to compute the rate change and related adjusted reimbursement rate to be used by the Department in determining the reimbursement settlement with National Healthcare – Mauldin, for the contract period beginning October 1, 2005, and for the twelve month cost report period ended September 30, 2004, as set forth in the accompanying schedules. The management of National Healthcare – Mauldin is responsible for the Financial and Statistical Report for Nursing Homes and supporting accounting and statistical records. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the South Carolina Department of Health and Human Services. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

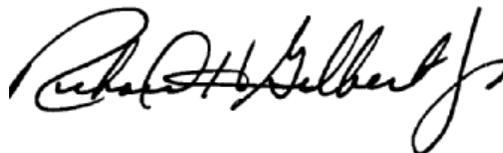

The procedures and the associated findings are as follows:

1. We selected costs or areas based on our analytical procedures applied to the reimbursable Medicaid program costs as shown on the Financial and Statistical Report for Nursing Homes, as filed by National Healthcare – Mauldin, to determine if these costs were allowable as defined by the State Plan for Medicaid reimbursement purposes and supported by accounting and statistical records maintained by the Provider. Our findings as a result of these procedures are presented in the Summary of Costs and Total Patient Days, Adjustment Report, and Cost of Capital Reimbursement Analysis sections of this report.
2. We recomputed the Computation of Reimbursement Rate using the adjusted costs and calculated the rate change in accordance with the provisions of the contract between the South Carolina Department of Health and Human Services and National Healthcare – Mauldin dated as of October 1, 2001, as amended. Our findings as a result of these procedures are presented in the Computation of Rate Change and Computation of Adjusted Reimbursement Rate sections of this report.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the financial statements or a part thereof. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the South Carolina Department of Health and Human Services and is not intended to be and should not be used by anyone other than the specified party.
