Members of The Senate of South Carolina
South Carolina General Assembly
Columbia, South Carolina

We have performed the procedures described in Attachment 1, which were agreed to by the management of The Senate of South Carolina (The Senate), solely to assist you in evaluating the systems, processes and behaviors of The Senate for the fiscal year ended June 30, 2016. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described in Attachment 1 for the purpose of which the agreed-upon procedures report has been requested or for any other purpose.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be an opinion or conclusion, respectively, on the systems, processes and behaviors of The Senate. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The concept of materiality does not apply to findings to be reported in an agreed-upon procedures engagement. Therefore, all findings from the application of the agreed-upon procedures must be reported unless the definition of materiality is agreed to by the specified parties. Management of The Senate has agreed that the following deficiencies will not be included in the State Auditor’s Report on Applying Agreed-Upon Procedures:

- Errors in applying account coding definitions to accounting transactions unless it is determined that ten percent or more of the accounting transactions inspected were found to be in error.
- Reporting packages which are submitted less than three business days after the due date unless it is determined that more than two of the reporting packages were submitted late.
This report is intended solely for the information and use of the Clerk of The Senate and the members of The Senate and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

   We found no exceptions as a result of the procedures.

**Reporting Packages**

16. Obtain copies of fiscal year end reporting packages submitted to the Office of the State Comptroller General (CG). Inspect the Master Reporting Checklist to determine the appropriate reporting packages were prepared and submitted by the due date established by the CG’s Reporting Policies and Procedures Manual.

17. In addition to the above procedure, we will perform the following:

   - **Capital Assets Reporting Package:**
     - Determine if responses are reasonable/accurate based on inspection of agency provided supporting documentation and agree amounts reported on the 'Non-SCEIS Agencies Only – Capital Assets Summary Report' to the agency’s capital assets worksheet.

   - **Other Payroll Liabilities Reporting Package:**
     - Confirm that reported amounts agree to agency prepared reports/spreadsheets (agency not on SCEIS leave module).

   - **Subsequent Events Questionnaire:**
     - Confirm that responses and any related supplemental information are reasonable/accurate based on inspection of the SCEIS general ledger, invoices, and/or agency prepared reports/spreadsheets.

**Finding**

The Senate incorrectly reported compensatory leave liability on its internally prepared spreadsheet for one employee. As a result, total reported leave liability was overstated by $3,620 on the Other Payroll Liabilities Reporting Package.

**Management’s Response**

The above finding was a result of human error despite internal checks on the spreadsheet. We will continue to verify all figures entered to avoid keying errors in the future.
