INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

November 2, 2004

Members of the General Assembly
and
Members of the Legislative Audit Council
Columbia, South Carolina

We have performed the procedures described below, which were agreed to by the governing body and management of The South Carolina Legislative Audit Council (the Council), solely to assist you in evaluating the performance of the Council for the fiscal year ended June 30, 2003, in the areas addressed. The Council's management is responsible for its financial records, internal controls and compliance with State laws and regulations. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and the associated findings are as follows:

1. **Cash Receipts and Revenues**
   - We inspected all cash receipts to determine if the receipts were properly described and classified in the accounting records and internal controls over the receipt transactions were adequate to detect errors and/or irregularities.

   We found no exceptions as a result of the procedures.

2. **Non-Payroll Disbursements and Expenditures**
   - We inspected selected recorded non-payroll disbursements to determine if these disbursements were properly described and classified in the accounting records, were bona fide disbursements of the Council, and were paid in conformity with State laws and regulations; if the acquired goods and/or services were procured in accordance with applicable laws and regulations; and if internal controls over the selected disbursement transactions were adequate to detect errors and/or irregularities.
   - We inspected selected recorded non-payroll disbursements to determine if these disbursements were recorded in the proper fiscal year.
• We compared amounts recorded in the general ledger and subsidiary ledgers to those in various STARS reports to determine if recorded expenditures were in agreement.

• We compared current year expenditures to those of the prior year to determine the reasonableness of amounts paid and recorded by expenditure account.

The individual transactions selected were chosen randomly. We found no exceptions as a result of the procedures.

3. Payroll Disbursements and Expenditures

• We inspected selected recorded payroll disbursements to determine if the selected payroll transactions were properly described, classified, and distributed in the accounting records; persons on the payroll were bona fide employees; payroll transactions, including employee payroll deductions, were properly authorized and were in accordance with existing legal requirements; and internal controls over the selected payroll transactions were adequate to detect errors and/or irregularities.

• We inspected selected payroll vouchers to determine if the vouchers were properly approved and if the gross payroll agreed to amounts recorded in the general ledger and in STARS.

• We inspected payroll transactions for employers who terminated employment to determine if internal controls over these transactions were adequate.

• We compared amounts recorded in the general ledger and subsidiary ledgers to those in various STARS reports to determine if recorded payroll and fringe benefit expenditures were in agreement.

• We compared current year recorded payroll expenditures to those of the prior year; and compared the percentage change in recorded personal service expenditures to the percentage change in employer contributions.

The individual transactions selected were chosen randomly. We found no exceptions as a result of the procedures.

4. General Ledger and Subsidiary Ledgers

• We inspected selected entries and monthly totals in the subsidiary records of the Council to determine if the amounts were mathematically accurate; the numerical sequences of selected document series were complete; the selected monthly totals were accurately posted to the general ledger; and the internal controls over the selected transactions were adequate to detect errors and/or irregularities.

The transactions selected were chosen randomly. We found no exceptions as a result of the procedures.
5. **Reconciliations**
   - We obtained all monthly reconciliations prepared by the Council for the year ended June 30, 2003, and inspected selected reconciliations of balances in the Council's accounting records to those in STARS as reflected on the Comptroller General's reports to determine if they were accurate and complete. For the selected reconciliations, we determined if they were timely performed and properly documented in accordance with State regulations, recalculated the amounts, agreed the applicable amounts to the Council's general ledger, agreed the applicable amounts to the STARS reports, determined if reconciling differences were adequately explained and properly resolved, and determined if necessary adjusting entries were made in the Council’s accounting records and/or in STARS.

   The reconciliations selected were chosen randomly. We found no exceptions as a result of the procedures.

6. **Compliance**
   - We confirmed through inspection of payroll and non-payroll disbursement vouchers, cash receipt and other documents, inquiry of agency personnel and/or observation of agency personnel performing their assigned duties, Council’s compliance with all applicable financial provisions of the South Carolina Code of Laws, Appropriation Act, and other laws, rules, and regulations for fiscal year 2003.

   We found no exceptions as a result of the procedures.

7. **Closing Packages**
   - We obtained copies of all closing packages as of and for the year ended June 30, 2003, prepared by the Council and submitted to the State Comptroller General. We inspected them to determine if they were prepared in accordance with the Comptroller General's GAAP Closing Procedures Manual requirements; if the amounts were reasonable; and if they agreed with the supporting workpapers and accounting records.

   We found no exceptions as a result of the procedures.

We were not engaged to and did not conduct an audit, the objective of which would be the expression of an opinion on the specified areas, accounts, or items. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the General Assembly and of the governing body and management of the Council and is not intended to be and should not be used by anyone other than these specified parties.
