The Audit and Compliance Committee
University of South Carolina
Columbia, South Carolina

We have performed the procedures described below, which were agreed to by the Audit and Compliance Committee and management of the University of South Carolina - Columbia Department of Athletics (the Department), solely to assist the Department's management in its evaluation of compliance with National Collegiate Athletic Association (NCAA) Bylaw 3.2.4.16 for the fiscal year ended June 30, 2014. This engagement to apply agreed-upon procedures was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Per your instructions, this report includes only those exceptions exceeding $100,000 unless otherwise specified below.

Procedures Related to the Statement of Revenues, Expenses, and Transfers

AGREED-UPON PROCEDURE #1

We obtained from the Department’s management the Statement of Revenues, Expenses and Transfers (the Statement) for the year ended June 30, 2014, as shown in Attachment A of this report. We footed and cross-footed of the Statement and compared actual revenues and expenses in the Statement to the prior year amounts (fiscal year 2013). We inquired of management to obtain explanations for variances greater than 10% and $100,000 compared to the prior year.

Findings:

Management’s explanations for the variances are as follows:

Revenues:

Contributions - Increased by $4,316,110, or 17%. The increase is attributable to $2,300,000 received from the University of South Carolina Educational Foundation (the Foundation) to offset expenses related to capital projects. The Department did not withdraw such funds in fiscal year 2013. Gamecock Club membership increased by approximately 2,000 members from fiscal year 2013 to fiscal year 2014 resulting in an additional $875,000 of contributions for fiscal year 2014. The increase was also attributable to an additional $930,000 in Yearly Equity Seat (YES) Donations received in fiscal year 2014 as opposed to fiscal year 2013 as season football ticket sales increased by approximately 3,000 season tickets from fiscal year 2013.
Findings, Continued:

Management’s explanations for the variances are as follows (continued):

**Direct Institutional Support** - Increased by $3,039,304 or 100%. This amount relates to out-of-state exemptions provided to the Department by the University. This amount was not reported in the Statement for fiscal year 2013.

**Broadcast TV, Radio and Internet** - Decreased by $233,457 or 47%. The decrease is attributable to $300,250 reported as third party compensation revenue as opposed to broadcast, TV, radio and internet revenue in fiscal year 2013. In addition, the IMG rights fee increased by $200,000 from fiscal year 2013. The Department also received $5,000 in incentives from IMG for the women’s basketball NCAA Sweet 16 appearance. Lastly, the decrease is attributable to a one-time NCAA media rights fee received in fiscal year 2013.

**Endowment and Investment Income** - Decreased by $635,777 or 61%. The decrease is attributable to a one-time adjustment in the amount of $410,000 to correct the accounting for the Ernest Brooks endowment. In addition, the Department earned interest of $145,000 on a loan to the Education Foundation in fiscal year 2013; the principal of the loan was paid in full during fiscal year 2013.

**Other Operating Revenues** - Decreased by $662,905 or 17%. The decrease is attributable to the Kenny Chesney concert being held at Williams Brice Stadium during fiscal year 2013. The show resulted in approximately $600,000 in revenue during fiscal year 2013. There were no stadium shows during fiscal year 2014.

**Expenses:**

**Athletic Student Financial Aid** - Increased by $3,187,938 or 35%. The increase is attributable to the out-of-state tuition waivers in the amount of $3,039,304 which were not included in the Statement for fiscal year 2013. The increase is also attributable to the addition of sand volleyball during fiscal year 2014 which resulted in $202,699 in expenses for fiscal year 2014.

**Guarantees** - Decreased by $496,546 or 24%. During fiscal year 2013, the Department paid guarantees to East Carolina University, Wofford College, and University of Alabama-Birmingham in the amounts of $250,000, $250,000 and $900,000, respectively. During fiscal year 2014, the Department paid guarantees to Coastal Carolina University, University of North Carolina and Clemson University in the amounts of $375,000, $300,000 and $250,000, respectively.

**Coaching Salaries, Benefits and Bonuses Paid by the University and related entities** - Increased by $2,107,260 or 20%. The increase is attributable to fiscal year 2013 bonuses paid in 2014 for Academic Progress Rates, Competition, and other additional incentive based bonuses in the amounts of $374,500, $98,000 and $411,750, respectively. The increase is also attributable to football, women’s basketball, and sand volleyball coaching staff raises and salaries of $599,000, $187,000, and $144,000, respectively. There was also additional accrued leave for fiscal year 2014 of $204,900.

**Team Travel** - Increased by 568,672 or 10%. The increase is attributable to a reclassification during fiscal year 2014. Team meals, not including scholarship meal plans, had previously been reported as student athlete financial aid expense. During fiscal year 2014, $466,000 was reclassified to team travel expense per the instructions provided by the NCAA. The increase was also attributable to $39,000 of sand volleyball team travel expenses; the sport was new during fiscal year 2014.
Expenses, Continued:

**Fund Raising, Marketing and Promotion** - Increased by 1,206,087 or 51%. The increase is attributable to a lawsuit during fiscal year 2014. The Department was required to issue a refund to George Lee for seat donations previously paid as a lifetime Gamecock Club member. The Department made the decision to voluntarily refund the seat donations to all lifetime Gamecock Club members that elected to receive resulting in an additional $1,264,000 in expenses during fiscal year 2014.

**Direct Facilities and Administrative Support** - Decreased by $2,416,282 or 14%. As a result of the refunds to lifetime Gamecock Club members and the increase in resources committed for salary increases, the Department decreased capital project expenditures by $1,353,000. At the end of each fiscal year, the Department funds the debt service account with any remaining funds. There was a decrease of funds remitted to the debt service account of $1,900,000 in fiscal year 2014. In addition, the Department had been receiving $280,000 each fiscal year to offset arena related expenses. This annual offset was ended during fiscal year 2013. There were also increases of $95,000 and $212,000 for additional maintenance expenses related to landscaping services at Carolina Park and other athletic facilities maintenance.

**Transfers to Institution** - Increased by $1,617,804 or 159%. The increase is attributable to a $1,000,000 increase in support the Department provides to the University from the SEC and TV funds during fiscal year 2014. In addition, during fiscal year 2013 that same transfer was reduced by $883,000 as the Department paid for repairs to the President’s plane. Lastly, during fiscal year 2013 the full scholarship funding from the sale of Georgia tickets was shown as a transfer. During fiscal year 2014, one half is shown as a transfer and the other is shown as ticket revenue resulting in $285,000 decrease from fiscal year 2013.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The University of South Carolina – Columbia Department of Athletics (the Department) is an auxiliary enterprise of the University of South Carolina (the University) and as such is responsible for the Intercollegiate Athletic Program of the University. The Department’s transactions are reported in the University’s unrestricted current funds in the auxiliary enterprises subgroup.

Basis of Presentation - The accompanying Statement of Revenues, Expenses and Transfers (the Statement) presents the recorded amounts of revenues, expenses and transfers of the University of South Carolina - Columbia’s Department of Athletics. It is not intended to be a complete presentation of the revenues, expenses and transfers of the University of South Carolina or the University of South Carolina - Columbia campus. The Statement has been prepared using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned and expenses when supplies or services are received.

Indirect costs, including general administrative costs, maintenance, and other related costs, are not allocated because the Department pays explicitly for Department services.

Contributions - All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts that are restricted by the donor are reported as deferred revenue until such time as the restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished).

Student Fees - For the year ended June 30, 2014, the University provided revenue (funding) to the Department for estimated athletic event tickets provided to students. This revenue is calculated by the estimated undergraduate student head count and a guaranteed associated relief payment. The Department recognized $2,592,673 in student athletic fees for the year ended June 30, 2014.

Athletic Student Aid - The Statement includes athletic financial assistance awards for students participating in athletic programs. Financial assistance awarded to athletic participants on the basis of other criteria, such as need or academic excellence, is not reflected in the Statement.

NOTE 2 - NCAA LEGISLATION

In June 1985, the National Collegiate Athletics Association (NCAA) adopted legislation that required all expenses for, or on behalf of, an institution’s intercollegiate athletics program, including those by outside organizations, to be included in the statement of revenues, expenses and transfers.

In January 1987, the NCAA constitution was amended to exempt from the audit requirement those with operating budgets for intercollegiate athletics of less than $300,000.

In January 1988, the constitution was again amended. This amendment removed the audit requirement from the NCAA constitution and incorporated its provision into three separate bylaws, which contain revisions specific to each membership division. In August 2004, the NCAA replaced the financial audit guidelines with a set of agreed-upon procedures.
