Members of the Commission
South Carolina Aeronautics Commission
West Columbia, South Carolina

We have performed the procedures described in Attachment 1, which were agreed to by the management of the South Carolina Aeronautics Commission (the Commission), on the systems, processes and behaviors related to financial activity of the Commission for the fiscal year ended June 30, 2017. The Commission’s management is responsible for the systems, processes and behaviors related to financial activity. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described in Attachment 1 either for the purpose for which the agreed-upon procedures report has been requested or for any other purpose.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be an opinion or conclusion, respectively, on the systems, processes and behaviors related to financial activity of the Commission. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The concept of materiality does not apply to findings to be reported in an agreed-upon procedures engagement. Therefore, all findings from the application of the agreed-upon procedures must be reported unless the definition of materiality is agreed to by the specified parties. Management of the Commission has agreed that the following deficiencies will not be included in the State Auditor’s Report on Applying Agreed-Upon Procedures:

- Clerical errors of less than $1,000 related to processing cash receipts and cash disbursements transactions unless the errors occur in ten percent or more of the transaction class inspected.
- Clerical errors of less than $1,000 related to reporting packages.
- Errors in applying account coding definitions to accounting transactions unless it is determined that ten percent or more of the accounting transactions inspected were found to be in error.
- Reporting packages which are submitted less than three business days after the due date unless it is determined that more than two of the reporting packages were submitted late.

Agreed - Upon Procedures Related to the South Carolina Aeronautics Commission (U30)

Cash Receipts/Revenues

1. Compare current year revenues at the subfund and account level from sources other than State General Fund appropriations to those of the prior year. Obtain and document an understanding of variations over $75,000 in Earmarked Funds and $50,000 in Federal Funds and 10%.

2. Randomly select twenty-five cash receipts transactions and inspect supporting documentation to:
   - Agree transaction amount, date, payor, document number, and account coding to the general ledger.
   - Determine that revenues/receipts were deposited in a timely manner, in accordance with Proviso 117.1 of the Appropriation Act.
   - Ensure that both revenue collections and amounts charged are properly authorized by law.

3. Randomly select seven cash receipts and inspect supporting documentation to determine that receipts are recorded in the proper fiscal year.

Finding

One receipt transaction was not deposited in a timely manner. The revenue was deposited approximately three weeks after the date of receipt.

Management's Response

We concur with the finding. This was an anomaly. In the current process receipts are deposited within 3 business days.

Cash Disbursements/Non-Payroll Expenditures

4. Compare current year non-payroll expenditures at the subfund and account level to those of the prior year. Obtain and document an understanding of variations over $50,000 in General Funds, $100,000 in Earmarked Funds and $50,000 in Federal Funds and 10%.

5. Randomly select twenty-five non-payroll disbursements and haphazardly select one federal disbursement and inspect supporting documentation to determine:
   - Transaction is properly completed as required by Commission procedures; invoice(s) agree(s) with general ledger as to vendor, amount, number, and date.
   - All supporting documents and approvals required by Commission procedures and good business practice are present and agree with the invoice.
   - The transaction is a bona fide expenditure of the Commission, properly coded to the general ledger.
   - Disbursement complied with applicable State laws, rules, and regulations including the State Consolidated Procurement Code, state travel regulations, etc.
   - Clerical accuracy / confirm proper sales/use tax.
Cash Disbursements/Non-Payroll Expenditures (Continued)

For federally funded cash disbursements/non-payroll expenditures we will inspect supporting documentation to determine:

- Charges are necessary and reasonable for the proper administration of the program, incurred during the approved grant period, given consistent accounting treatment and applied uniformly to both federally assisted and other activities of the recipient.

6. Randomly select twenty-two non-payroll disbursements and inspect supporting documentation to determine that disbursements are recorded in the proper fiscal year.

We found no exceptions as a result of the procedures.

Payroll

7. Compare current year payroll expenditures at the subfund and account level to those of the prior year. Obtain an understanding of variations over $50,000 in General Funds, $100,000 in Earmarked Funds and $50,000 in Federal Funds and 10%.

8. Randomly select five salaried employees and inspect supporting documentation during the fiscal year to:
   - Obtain and inspect the employee’s payroll and/or personnel file for various forms, communications, etc., to confirm that the person is a bona fide employee of the Commission.
   - Agree gross pay to supporting documentation confirming all changes to gross salary for the year. Determine that all changes have been properly approved.

9. Inspect the two employees hired during the fiscal year to determine if they were added to the payroll in accordance with the Commission’s policies and procedures and that their first pay check was properly calculated in accordance with applicable State law.

10. Compare the percentage change in personal service expenditures between the current year and prior year to the percentage change in employer contributions expenditures between the current year and prior year. Obtain an explanation of changes of +/- 10%.

11. Compute the percentage distribution of fringe benefit expenditures by fund source and compare to the actual distribution of recorded personal service expenditures by fund source. Obtain an explanation of changes of +/- 10%.

We found no exceptions as a result of the procedures.

Journal Entries and Transfers

12. Randomly select five journal entries and two transfers for the fiscal year to:
   - Trace postings to the general ledger, confirming amounts agree with supporting documentation.
   - Confirm transaction is properly approved.
   - Inspect supporting documentation to confirm the purpose of the transaction.

We found no exceptions as a result of the procedures.

Appropriation Act

13. Inspect the Appropriation Act work program, provided to and completed by management, confirming areas of noncompliance, if any.
Appropriation Act (Continued)

14. Confirm compliance with Commission-specific state provisos by inquiring with management and observing supporting documentation.

We found no exceptions as a result of the procedures.

Reporting Packages

15. Obtain copies of fiscal year end reporting packages submitted to the Office of the State Comptroller General (CG). Inspect the Master Reporting Package Checklist to determine the appropriate reporting packages were prepared and submitted by the due date established by the CG’s Reporting Policies and Procedures Manual.

16. In addition to the procedure above, we will perform the following:

- Grants and Contributions Revenue Reporting Package
  
  Haphazardly select five grants to determine if the reported beginning and ending fund balances, receipts, qualified expenditures, fund, grant number, and CFDA number agree to the South Carolina Enterprise Information System (SCEIS) general ledger and/or SCEIS Display Grant Master. In addition, recalculate the reported total receivables and deferred revenue to determine accuracy.

- Other Receivables Reporting Package
  
  Determine if reported receivable amount is accurate based on inspection of the SCEIS general ledger, the SCEIS Yearend Reporting – Accounts Receivable Current with Customer report and/or Commission prepared records. Haphazardly select five amounts on the SCEIS Yearend Reporting – Accounts Receivable Current with Customer report to determine if amounts were properly classified.

- Inventory Reporting Package
  
  Determine if reported amounts agree to the SCEIS Yearend Reporting – Inventory report. In addition, determine if the Commission’s reconciliation of physical inventory to SCEIS was properly completed by agreeing amounts to the SCEIS general ledger and/or Commission prepared records.

- Operating Leases Reporting Package
  
  Determine if amounts agree to the SCEIS general ledger, the SCEIS Yearend Reporting Operating Lease Expense with Vendor report and/or Commission prepared records. In addition, based on inspection of invoices and lease agreements, determine if rental payments were properly classified, coded and calculated by inspecting and recalculating the following reported amounts: (1) Three haphazardly selected contingent rental payments; (2) One haphazardly selected payment for each vendor included in the remaining rental payment classifications (One Time Rental Payments and Other Adjustments); and (3) The effective dates, current expense and future minimum lease payments of all property leases.

- Capital Assets Reporting Package
  
  Determine if responses and reported amounts are reasonable/accurate based on inspection of the SCEIS general ledger, the SCEIS Asset History Sheet and/or Commission prepared records.
Reporting Packages (Continued)

- Miscellaneous Loss Liabilities, Loss Contingencies, and Commitments Reporting Package

  Determine if responses and amounts are reasonable based on inspection of invoices and/or contractual agreements.

  We found no exceptions as a result of the procedures.

Capital Assets

17. Inspect the Commission’s sole asset acquisition and inspect supporting documentation, the SCEIS general ledger, and the SCEIS Asset History Sheet to determine the asset was properly capitalized and posted to the general ledger as to amount and account and assigned the proper useful life in accordance with the CG’s Reporting Policies and Procedures Manual.

18. Randomly select five capital asset retirements and inspect supporting documentation, the SCEIS general ledger and the SCEIS Asset History Sheet to determine that each asset was properly removed from the Commission’s books and the disposal was properly approved.

  We found no exceptions as a result of the procedures.

Minutes

19. We will inspect the Commission’s approved Commission minutes beginning with the end date of prior year fieldwork through the end of our fieldwork.

  We found no other matters related to our agreed-upon procedures.

Status of Prior Findings

20. Through inquiry and inspection, determine if the Commission has taken appropriate corrective action on the findings reported during the engagement for the prior fiscal year.

  We found no exceptions as a result of the procedures.
