We have performed the procedures described in Attachment 1, which were agreed to by the management of the South Carolina Arts Commission (the Commission), on the systems, processes and behaviors related to financial activity of the Commission for the fiscal year ended June 30, 2017. The Committee’s management is responsible for the systems, processes and behaviors related to financial activity. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described in Attachment 1 either for the purpose for which the agreed-upon procedures report has been requested or for any other purpose.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be an opinion or conclusion, respectively, on the systems, processes and behaviors related to financial activity of the Commission. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The concept of materiality does not apply to findings to be reported in an agreed-upon procedures engagement. Therefore, all findings from the application of the agreed-upon procedures must be reported unless the definition of materiality is agreed to by the specified parties. Management of the Commission has agreed that the following deficiencies will not be included in the State Auditor’s Report on Applying Agreed-Upon Procedures:

- Errors in applying account coding definitions to accounting transactions unless it is determined that ten percent or more of the accounting transactions inspected were found to be in error.
- Reporting packages which are submitted less than three business days after the due date unless it is determined that more than two of the reporting packages were submitted late.

This report is intended solely for the information and use of the Commission and management of the South Carolina Arts Commission and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

Finding

Five payments totaling $20,000 for artist fellowships were not coded correctly or consistently with prior years’ payments. The Commission coded the fellowships to GL account 5021540000 (Other Professional Services) instead of GL account 5180860000 (Aid to Private Sector – Reportable).

Management’s Response

We agree that five payments totaling $20,000 for artist fellowships were coded to the GL account 5021540000 (Other Professional Services) instead of GL account 5180860000 (Aid to Private Sector – Reportable). New processes that include coordination and communication within the Grants and Accounting offices have been implemented to ensure the Arts Commission codes correctly and consistently future artist fellowship payments.

   • Obtain and inspect the employee’s payroll and/or personnel file for various forms, communications, etc., to confirm that the person is a bona fide employee of the Commission.
