Columbia, SC 29201

We have performed the procedures described below, which were agreed to by the management of the South Carolina State Fiscal Accountability Authority (the “Agency”), solely to assist you in evaluating the systems, processes and behaviors related to financial activity of the Agency for the fiscal year ended June 30, 2018. The Agency’s management is responsible for its financial records, internal controls and compliance with State laws and regulations. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below for the purpose of which the agreed-upon procedures report has been requested or for any other purpose.

Procedures Performed and Findings Noted:

Cash Receipts and Revenues:

Procedures Performed:

1. We compared current year revenues at the subfund and account level from sources other than State General Fund appropriations to those of the prior year. We obtained and documented an understanding of variances over $360 for the general fund, $62,000 for the earmarked fund, $24,000 for the earmarked II fund, and $330,000 for the trust fund and 10%.

2. We randomly selected a sample of 35 cash receipts and inspected supporting documentation to:
   - Agree transaction amount, date, payor, document number, and account coding to the general ledger.
   - Determine that revenues/receipts were deposited in a timely manner and are in accordance with Proviso 117.1 of the Appropriation Act.
   - Ensure that both revenue collections and amounts charged are properly authorized by law.

3. We randomly selected a sample of 35 cash receipts and inspected supporting documentation to determine that receipts are recorded in the proper fiscal year.
Cash Receipts and Revenues (continued):

Findings Noted:
We found no exceptions as a result of the procedures.

Cash Disbursements and Non-Payroll Expenditures:

Procedures Performed:

4. We compared current year non-payroll expenditures at the subfund and account level to those of the prior year. We obtained and documented an understanding of variances over $360 for the general fund, $62,000 for the earmarked fund, $24,000 for the earmarked II fund, and $330,000 for the trust fund and 10%.

5. We randomly selected a sample of 35 non-payroll disbursements and inspected supporting documentation to determine:
   - Transaction is properly completed as required by Agency procedures; invoice(s) agree(s) with general ledger as to vendor, amount, number, and date.
   - All supporting documents and approvals required by Agency procedures and good business practice are present and agree with the invoice.
   - The transaction is a bona fide expenditure of the Agency and properly coded to the general ledger.
   - Disbursement complied with applicable State laws, rules, and regulations including the State Consolidated Procurement Code, state travel regulations, etc.
   - Clerical accuracy/verify proper sales/use tax.

6. We randomly selected a sample of 35 non-payroll disbursements and inspected supporting documentation to determine that disbursements were recorded in the proper fiscal year.

Findings Noted:
We found no exceptions as a result of the procedures.

Payroll Disbursements and Expenditures:

Procedures Performed:

7. We compared current year payroll expenditures at the subfund and account level to those of the prior year. We obtained and documented an understanding of variances over $360 for the general fund, $62,000 for the earmarked fund, $24,000 for the earmarked II fund, and $330,000 for the trust fund and 10%.

8. We randomly selected a sample of 5 employees hired during the fiscal year to determine if they were added to the payroll in accordance with the Agency’s policies and procedures and that their first pay check was properly calculated in accordance with applicable State law.

9. We randomly selected a sample of 5 employees who terminated employment during the fiscal year to determine if they were removed from the payroll in accordance with the Agency’s policies and procedures, that the employee’s last paycheck was properly calculated, and that the employee’s leave payout was properly calculated in accordance with applicable State law.
Payroll Disbursements and Expenditures (continued):

Procedures Performed (continued):

10. We randomly selected a sample of 10 employees and inspected supporting documentation during the fiscal year to:

For Salaried Employees:
- Obtain and inspect the employee’s payroll and/or personnel file for various forms, communications, etc., in order to confirm that the person is a bona fide employee of the Agency.
- Agree gross pay to supporting documentation confirming all changes to gross salary for the year and determine that all changes have been properly approved.

For Hourly Employees:
- Obtain and inspect the employee’s payroll and/or personnel file for various forms, communications, etc., in order to confirm that the person is a bona fide employee of the agency.
- Confirm the hourly rate and time sheets are properly approved; recalculate gross pay.

11. We compared the percentage change in personal service expenditures between the current year and prior year to the percentage change in employer contributions between the current year and prior year. We obtained an explanation of changes greater than +/- 10%.

12. We computed the percentage distribution of fringe benefit expenditures by fund source and compared to the actual distribution of recorded personal service expenditures by fund source. We obtained an explanation of changes greater than +/- 10% to ensure that personal service expenditures were classified properly in the Agency’s accounting records.

Findings Noted:
We found no exceptions as a result of the procedures.

Journal Entries and Transfers

Procedures Performed:

13. We randomly selected a sample of 5 non-recurring journal entries and transfers for the fiscal year to:
- Trace postings to the general ledger, confirming amounts agree with the supporting documentation.
- Confirm transaction is properly approved.
- Inspect supporting documentation to confirm the purpose of the transaction.

Findings Noted:
We found no exceptions as a result of the procedures.

Appropriation Act

Procedures Performed:

14. We inspected the Appropriation Act work program provided to and completed by management to confirm areas of noncompliance, if any.

15. We obtained agency-specific state provisos and inspected for compliance through inquiry and observation.

Findings Noted:
We found no exceptions as a result of the procedures.
Reporting Packages

Procedures Performed:

16. We obtained copies of fiscal year end reporting packages submitted to the Office of the State Comptroller General. We inspected the reporting packages as of and for the year ended June 30, 2018 to:

- Determine if preparation was in accordance with Comptroller General Office requirements.
- Determine if amounts reported in the reporting packages agree with the supporting workpapers and accounting records.

Findings Noted:

We found no exceptions as a result of the procedures.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be an opinion or conclusion, respectively, on the systems, processes and behaviors related to financial activity of the Agency. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The concept of materiality does not apply to findings to be reported in an agreed-upon procedures engagement. Therefore, all findings from the application of the agreed-upon procedures must be reported unless the definition of materiality is agreed to by the specified parties. Management of the Agency has agreed that the following deficiencies will not be included in the Accountants’s Report on Applying Agreed-Upon Procedures:

- Clerical errors of less than $100 related to processing cash receipts and cash disbursements transactions unless the errors occur in ten percent or more of the transaction class tested.
- Clerical errors of less than $100 related to reporting packages.
- Errors in applying account coding definitions to accounting transactions unless it is determined that ten percent or more of the accounting transactions tested were found to be in error.
- Reporting packages which are submitted less than three business days after the due date unless it is determined that more than two of the reporting packages were submitted late.

This report is intended solely for the information and use of the management of the South Carolina State Fiscal Accountability Authority and the State Auditor and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
