May 21, 2020

Dear Chairman,

We have performed the procedures described in Attachment 1, which were agreed to by the management of the South Carolina Board of Financial Institutions (the Board), on the systems, processes and behaviors related to financial activity of the Board for the fiscal year ended June 30, 2019. The Board’s management is responsible for the systems, processes and behaviors related to financial activity. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described in Attachment 1 either for the purpose for which the agreed-upon procedures report has been requested or for any other purpose.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be an opinion or conclusion, respectively, on the systems, processes and behaviors related to financial activity of the Board. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The concept of materiality does not apply to findings to be reported in an agreed-upon procedures engagement. Therefore, all findings from the application of the agreed-upon procedures must be reported unless the definition of materiality is agreed to by the specified parties. Management of the Board has agreed that the following deficiencies will not be included in the State Auditor’s Report on Applying Agreed-Upon Procedures:

- Errors of less than $1,000 related to cash receipts and non-payroll cash disbursements transactions.
- Errors of less than $5,000 related to reporting packages.

This report is intended solely for the information and use of the Board and management of the South Carolina Board of Financial Institutions and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
